The TimeMist® name is synonymous with fresh thinking. TimeMist invented the metered air freshening and air sanitizing categories and is the number one selling metered brand in the world.

Every can of TimeMist contains concentrated premium fragrances with sophisticated odor counteractants. We use only the best ingredients guaranteeing a great smelling fragrance.

They spray lighter and hang in the air longer. So you don't just freshen the air, you eliminate odors—for a full 30 days. All without CFC's or ozone depleting substances.

Add variety to the air with TimeMist. Whatever your preference, we have a fragrance for you.
