

**PROFESSIONAL
GRADE**

Ice Melting Solutions™

**Increase
your profits!**

Sets the industry standard

- **For home, commercial or wheel traction:** melts to 5°F.
- **Home use:** melts ice and snow from driveways, porches, steps and other walkways.
- **Car use:** when car is stuck in snow, spread generously under the wheels to provide traction. Extra bags in trunk provide extra weight.
- Available in 50 lb. and 80 lb. bags.

Quick to melt in freezing temperatures

- **The brilliance of a fast acting melter:** melts to sub-freezing temperatures of -15°F.
- **Has that extra spark:** generates heat upon contact with ice and snow.
- **Strong reach:** penetrating rapidly to break through ice and snow's bond with the pavement.
- Available in 50 lb. bag and 50 lb. bucket.

Works quickly in bitter cold

- **Works at the lowest temperature:** melts ice and snow as low as -25°F!
- **More efficient:** pellets are fast acting and controllable to disperse due to their faceted shape.
- **Melts quicker:** premium calcium chloride ingredient creates heat promoting faster melting and higher penetration rate as an ice melter.
- Available in 50 lb. bag and 40 lb. bucket.

Safer for sidewalks, plants and pets

- **Performs as well as regular ice melters:** to temperatures of 5°F.
- **Care for pets and surroundings:** safer for plants and concrete than plain salt.
- **Oxygen demand:** run off has lower environmental impact to ground and surface water than run off from other leading safety blends.
- **Ingestion tolerance:** higher and safer for both humans and pets, than plain salt and other leading safety blends.
- Available in 50 lb. bag and 50 lb. bucket.

ICE MELT

PROFESSIONAL BLEND

- Calcium chloride & salt blend
- Generates heat to melt fast
- Clears ice & snow faster than plain salt

MELTS DOWN TO
-15°F

*High Performance Melters
for Snow Professionals*

EXTREME WINTER ▶

Morton® Ice Melter Blend

**EFFICIENT
FAST ACTING**

High performance melting for Sub-Zero temperatures

- ▶ Calcium Chloride & Sodium Chloride blend designed for snow professionals
- ▶ Melts Ice & Snow in temperatures as low as -15°F
- ▶ Generates heat on contact with ice and snow to melt faster and longer than plain salt

▶ **TRUST MORTON®
TO CLEAR THE WAY**
with performance tested products.

Not all melters live up to performance claims, but Morton ice melters ensure you get the performance you pay for:

- ▶ Developed through scientific testing
- ▶ Melting performance validated by accredited third party testing
- ▶ Supported by on-going research and development

▶ **MORTON®
SERVICE & SUPPLY**
leads to greater sales this season.

You can rely on Morton's service and support to help drive sales this season:

- ▶ 24-7 in-season customer service helps keep your business melting in the most extreme conditions
- ▶ Weather-intelligence based inventory planning ensures product availability throughout season
- ▶ National sales coverage and broad distribution footprint helps get product to you fast
